

# DETAILS OF BUSINESS

We are an integrated pharmaceutical company in India with a presence across the pharmaceuticals value chain including research and development, manufacturing, drug distribution and marketing and exports.

Since our inception in 2006 with a small base, we have grown strength to strength and for last more than 15 years, we are catering to top Indian pharmaceuticals companies including 10 of the top 10, and 14 of the top 15. We have license to manufacture products through two state of the art manufacturing facilities while maintaining WHO-GMP, EU-GMP and other major registrations. With the support of our world class manufacturing facilities and a reliable supply value chain, we are continuously thriving to maintain highly efficient operations. The foundation of our Company is our in-house research and development (**R&D**) which helps to focus on to build an increasingly complex product portfolio and attract and retain customers. We proudly possess a strong team of 1000+ employees.

As a responsible corporate entity, we are been continuously endeavouring to comply with Environmental, Social & Governance compliance requirements covering the aspects of Legal compliance, ethics & business conduct, quality & patient safety, human rights, labour and employment, health safety and well-being of employees, sustainability & environmental responsibility, quality management system.
